

# CPI FOOD GRADE MINERAL OIL

- **CPI food grade oil is FDA approved**
- **Certified Kosher and Pareve**

## DESCRIPTION

Food grade mineral oil is recommended as a conditioner for cutting boards. Because it is food grade and its properties prevent water absorption, combined with its lack of flavor and odor, food grade mineral oil is also used for cleaning as a rust inhibitor and lubricating kitchen equipment that comes in contact with food.

**Our concentrated products can be dispensed or hand mixed.**

## PACK SIZE

12 - 32 oz bottles with or w/o sprayers  
4 - 1 gallon bottles  
5 gallon bucket  
55 gallon drum

## SHELF LIFE

No expiration date
